
Greenford Little Bob

Purpose

Greenford is a short method is ideal for a practice night or service band where there might only be three people who can ring basic methods and two who are less experienced.

Ringing Greenford Little Bob

The treble plain hunts to thirds place.

Bells 2, 3 and 4 ring a cycle of work:

- Dodge 3-4 up.
- Dodge 3-4 down.
- Make seconds over the treble.

Bell 5 rings the slow course pattern:

- Four blows in fifths place.
- Alternating with two blows in fourth place under each of the working bells in turn.
